

AEROCAMP SUMMER 2024

Cascade Aviation Flight School is pleased to announce AeroCamp Summer 2024!

AeroCamp is a program designed to give young people a unique opportunity to explore the world of aviation and aerospace. As a member of the Flight School Association of North America, our flight school is proud to host AeroCamp for the kids in our Skagit Valley community.

Campers can learn firsthand about the dynamics of airplanes and the flight along with the broad spectrum of careers in the aerospace industry. Campers get to fly an airplane if they so choose. There is a strong education component that all campers receive. There are field trips to explore, and various elements that together, form the aerospace industry. AeroCamp is for ages 12-17 and each camper will receive a simulator and a flight lesson. Activities, tours, and field trips will vary for each camp depending on weather and availability of tours.

1ST CAMP: JULY 8-11TH, 2ND CAMP: JULY 22-25

Monday-Thursday, 9:00am-3:00pm

AeroCamp: \$800.00

Camp REGISTRATION opens April 8th

Payment must be made in full, and all camp registration documents must be completed to reserve your student spot.

Students will receive a logbook, First Flight Certificate, AeroCamp t-shirt, a six-month subscription to AOPA'S Flight Training Magazine, an AeroCamp graduation certificate.

Snacks, juice and water will be provided daily as well as lunch on graduation day. Campers are asked to bring their own lunch (in externally insulated bags) on the remaining days.
